BUSINESS AWARDS

## THE PETERBOROUGH COMMUNITY BUSINESS AWARDS

An annual celebration of exceptional businesses, inspiring leaders, and dedicated individuals who have made a significant impact on our local community.

### Who we are:

The founder and creator of these awards, Gez Chetal, has a distinguished history, having organised a similar event in Norfolk for the last 6 years, he wanted to bring the awards to his home city.

Gez has over eight years experience collaborating with prisons in East Anglia and Lincolnshire through Prism Start, and has recently expanded to include supporting the vulnerable in the Peterborough community.

It was his vision to create a brand new event that would recognise not only the businesses but individuals who make our city great.

### Our Mission:

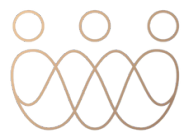

To recognise those who have made an outstanding contribution to the local community through business & enterprise.

### Charitable Contribution:

The Peterborough Community Business Awards will also be raising funds for local families affected by MND, to be directly paid out to the people and carers for immediate relief and assistance.

### Supporting the community:

The awards are in proud association with Prism Start, helping the homeless, vulnerable and those with a justice history to get back into meaningful work.
